New Director of Outreach

We decided to fire our old outreach director and hire someone with a PhD. This person is representing MEGL as a USA Science and Engineering Festival “Nifty Fifty” speaker:

The Nifty Fifty, a program of Science Spark, are a group of noted science and engineering professionals who fan out across the country to speak about their work and careers at various middle and high schools.

Announcing: Outreach Internships for Spring 2020!

Announcing: Outreach Internships for Spring 2020!

Outreach interns will work closely with our director to advance the goals of MEGL Outreach.
