## Poster Session

10:00a - 11:00a

Each research team will present their project in a poster format. Come to find out what MEGL is all about. In addition to current projects, we will announce the upcoming semester's projects at the poster session.

## Symposium

12:00-1:00p and 2:00pm-3:30p

The symposium will consist of 15-20 minute talks given by each research team. Each presentation will be followed by a brief question and answer period.

### ANNOUNCING NEW PROJECTS:

Are you interested in conducting research at Mason? Check out our upcoming research projects at the poster session. Find out if MEGL is the research lab for you!
